

A level Post Results Services Summer 2023

The Exam Boards offer several options if you feel there has been a mistake with a result in a written exam. Please note that you cannot review the result of an internally assessed unit (NEA).

Please take time to read through the service

Fill in the subject, exam board and unit reference details carefully – your results slip contains this information. Tick the service you require per exam*.

*N.B. charges are per exam and do not cover the whole subject - each subject consists of up to 3 exams.
